Dear Hiring Manager,

As an experienced developer, the opportunity for a Software Engineer Intern will provide me with a chance to showcase my talent and abilities which can help in building new features which will benefit the organisation. While reviewing the position requirements and your organization's website, I was excited to find that my qualifications and personal strengths such as collaboration, team player, never give attitude, quick learning, and optimizing things align with your needs.

I bring a comprehensive set of skills that I believe will be valuable to the company. In my Software Engineer role, I honed my abilities in javascript, Angular, NodeJS, React, Python, MEAN, and MERN stack development, providing a firm foundation for the Software Developer position. My time management, people-centric nature, and compassion have afforded me excellent collaboration skills.

I am excited to contribute my talents and proficiency in planning to your team efforts. As an engaging communicator with a proven track record in software development, my focus on building strong professional relationships has been a beneficial asset throughout my career.

Please review my enclosed resume for a more in-depth illustration of my work history and accomplishments. I would appreciate the opportunity to interview at your earliest convenience. I'm eager to discuss how my personality and background fit the Software Engineer Intern role.

Thank you for your time and consideration of my candidacy.

Sincerely,

**Mihir Lahu Palyekar**
